Chapter 3
Transfer preparations are complete
Commence action upon finding the target
I've been always fighting alone It was sa before and it will be sa in future
Crank!
If needed we can also send you reinforcements
no need
Until the day my clan is restared
comes

Chapter 3

Cutie Landmine

2-A
Ah, Ashita-kun,
good morn-ing!
Oh, isn't it Ashita! Long time, no see
You'll end up repeating a year man
'Morn-ing, Ashita!
Since Noi & co came there's no time to relax at home
Aah, school is so peaceful...

Odagiri, why must all your conversations be about women?
What were you doing while skipping school?
Let me guess women problems?
Yuma Odagiri
I just caught a cold
I can relate man In my case too the girl I had been playing with turned to be quite a landmine
Im my case, a "landmine" became my family member
the hell you are talking about?
me to a different dimension School is the last place of respite left to me
But school is so nice man Nobody is breaking walls with bare hands or sending
Well surely I cannot tell him that my new family includes vampires monsters and ghosts

When I passed by teachers' lounge, I
Well, putting that aside, I've got big news, Ashita!
Home room is starting!
Hey, take your seats!
a transfer student? at this time?
yep and furthermore
please enter
But before that It's sudden but we've got a transfer student
2-A

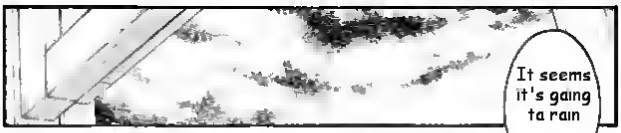
おおお
She's a super beauty !!
uh she is quarter Dutch/ three quarters Japanese
She came here from a high schaal affiliated with Cambridge as an exchange student She's very smart.
Nice to meet you My name is Konoka Saotome-Abraham
I'm not much gaad at anything

*A traditional greeting used by a wife when first entering a husband's home (At least in anime/manga)

I'm surely ta have same short-cammings but
Japanese culture fram my late grandmather
I've learnt bath Japanese language and

I wonder, what's wrong with that smile
Well, Konoka-chan is so cute! I guess, that kind of girl is what you call Yamato Nadeshiko
.....
it reminds me of her from the time she just came to Tachimori mansion
!
must be my imagination
!

.....



It seems it's going ta rain

Hanaka, ga bring it ta him
Whaat? Rebroadcast of "Rowdy Nurse" is staring so I don't wanna
Nai, ga bring an umbrella ta Ashita-kun
And it was such a nice weather until a while aga

Silly,
listen well
Hey, you're my retainer aren't you?
I'm busy compiling onee-sama's sneak shots
So please go instead, onee-sama ♡

In Japan, there's an ancient concept af Lave-Lave Umbrella
A pair under a single umbrella having a sweet time
in a cramped space under umbrella
touching shoulders
and tauching hearts
©Sasara Kuchinashi
A-a-ah, how good they look together
OOOOOOOOOH
NOOOOOOOOO
Gaad jab, Seseral
I will surely deliver an umbrella ta Ashita and withaut fail realise this splendid dream
I won't allaw you! I will interfere no matter what
Ah, right, I've just gat a splendid idea -- let's kill him

Because it's surely going to be fun !!
But now I have no choice but to go as well
I planned send her so I didn't have to deliver it...
.....
What is that chill down my spine I felt just now?
Excuse me
Let's make a big detour on my way home !
.....

Sootome
son
?
here
read it please !
Th
Thi

This is !!
I have something important to tell you. Please wait for me on the rooftop
Konoka
N, nno, it's not necessarily a love letter
Isn't that a love letter?
And from Konoka-chan to boot?
hey
Eeek!
Oh you're still here, Ashita
Hey! Go to her at once before she gets bored with you!
Wha-a-at?!
A love letter on the first day after transfer! Way to go, Konoka-chan!
I see, I see! Finaly a girl that is able to see your good points appeared!
You're usally so absent-minded so I was worrying for you!

Somebody I like
What now? Have you got somebody else you like?
Wai... Wait a minute, Kodagiri
Nn
No, No, No, No, I haven't, I haven't !!
I see. Then,
Good luck!

Wait a mi...
I have a date after this, too. Let's do our best.
See you
You've come
……

What's the deal with that huge trunk, i wonder
Huh? Well Saotome -san
What did you want to talk about?
Huh?
I'm thankful to Lord's guidance
To be able to find one on the first day after I came to the city
Eh?
Hyaa?

As I thought...
you smell like a vampire
!?
Pitiful despicable vampire
Gha
In the name of Van Helsing the Fourth,
I will destroy you !!
Konoka Saotome-Abraham-Helsing

What is this unpleasant presence?
Is it my imagination?
putting that aside, where is
the school?
ドドド
ドドド

3-2
Aoooaaaa! What have I done to deserve this?
It's the first time I see a vampire that bothers to dodge shots
And I aimed to wait until your confidence in your regeneration powers makes you drop your guard and then strike your head
How many times should I tell you that I'm not a vampire
If I get shot you'll have nothing left to strike!
That aside, why nobody is coming after that many gunshots?
Because just a while ago I released hypnotic gas and ordered everyone to leave the school early
Gas is too strong so their memories of 2-3 days may end up disappearing, but vampire extermination is a categorical imperative
So it's not a big deal!
What? As I suspected she turned to be a "landmine" too
カラン

!?
Ho-ho
!!

I see that schools in this country practice rather spartan education
!?
Noi !
Noi?..
but
But who gave you the permission to make a pass on my darling?!
Wha?

It was a close call, Ashita. Be thankful to a sincere patrolman who gave me directions
You can it be that you're
The "Calamity's Cursed Light", Noikrone?!
I'd say that I'm surprised you wasn't arrested with your attitude and appearance
that's indeed me
.....
So that's the reason I feel more "Oddities" in this city
.....
Huh? Then you're truly a regular human?
That's what I've been telling you all this time!
I see. Then you're a stupid believer enchanted by a vampire? Supporters of vampires, no mater who they are, will be destroyed by me!
Ah geez, she's hopeless

What is that Helsing clan?
Nastalgic smell af blaad
One af Helsing clan

In past their clan was regarded as the headquarters af the anti-"addity" farces
Fram generatian ta generatian his successars inherit the name af Van Helsing
It's a faundatian created by the ariginal praf. Helsing wha exterminated "Dracula" the earl af Landan

.....
What happened with your predeces sor?
So you're The Fourth. You're too young though.
But recently there's not much talk about it

retired ?
retired
Papa The Third has
10 years aga
After he was defeated by yau
He lost hist confidence!

Eeek!
"Hallelujah Custom", how nostalgic! So you've inherited your father's weapon along with the name!
But using the same equipment won't you yield the same result?
don't mock me
Ah
my last place of respite...
Because of papa's crushing defeat clan's reputation sank

Adults around me and supparters were disappearing one after another
And in the end the foundation was dissolved
From that time Helsing clan was on the one-way path to decline
degraded to a govern-ment's poodle
And the proud Helsing clan
Shaating has stopped?
but
and accumulated generations of Helsing clan wisdom and experience - Battle Puppet!
From this point I will use something that was absent in papa's generation
the newest weapon that was constructed by melting silver crosses blessed by Church

Destroyer-type Anti-vampire Extermination Puppet
KRESNIK!!
it's fast!

カリ
Noi
...
!!
What is that? Step down and don't
interfere I'm having one on one fight with her!
!
retain-ers!
b-but, Onee-sama...
She's from Hellsing clan so there might be reinforce-ments
.....
be at ease

I've got no intention of calling reinforce-ments
he chose to live in shame
The Third returned with his tail between legs
went to the dogs
Helsing clan too
Fighting alone and winning alone, fighting alone and winning alone, winning, winning, winning, winning
I have no intention of entrusting my back to anyone
I will always fight alone and I will always continue winning alone
way leading to my clan's restoration
Continu-ing to win is the only

"Oddity"
?
Dame—

Tsss
So the presence I felt before was yours,
Ashitall Curses!
"Oddity" of wind blades - Kamaitachi
you little !!

Why did you protect me?
I tried to kill you...
Why?
Even I, if I get hit by his attack, it will split me into two parts!
Ashita, you big fool! You're lucky it's shallow!

And restoring the clan alone
And winning alone
Fighting alone

Would you please become friends with me?
In the end you will be still all alone, won't you?

Onee-sama, run away, that guy is
strong
!?

not staying in debt
Helsing clan has a policy of
He-he-he!
You dare to give me orders
Go, Noi-kurou-ne!
I can block one more attack
You catch my fancy, Helsing!

Entrusting my back to someone
is not that bad

What shall we do with that?
Don't worry, my underlings will repair it so not even a trace remains by tomorrow

It was rather fun fighting you

Konoka
I mean, Helsing

Next time
come to have some tea
.....
Ok, let us return to the lovely Tachimori mansion of mine
It's not yours!
!
Tachimori mansion?
Ashita Tachi-mori?!

Ashita-kun
What?
Then he's
that Tachimori mansion's
You have hit
my fancy

Whaaaat are you doing?!
Next time, come to have some boiling water
Hey, hey, hey! I'm looking for it!
Next time I will exterminate you for sure, Naikuroune
forewell until then
But you know Ashita Tachimori
Nothing less is expected from Tachimori mansion's manager I guess?
To react to the "Oddity" before anyone else even during that chaotic fight

"What" are Oddities

And what is the true reason Noikuroune is targeted by them

And not getting your blood sucked out Have you ever thought that it's strange?

Living with a vampire, that Noikuroune to boot,

Ashita-kun

You still

Know nothing
